

Antitrust Moving Forward

The Road Ahead: Antitrust Enforcement in the New Administration

Join ASU Law in Washington D.C. as we welcome three distinguished speakers for a discussion on the future of antitrust law under the incoming administration. While antitrust policy has continued to evolve in response to rapidly changing markets, emerging technologies, and shifting political priorities, the core antitrust principles remain consistent across administrations. These core principles can be used to offer insight into what you can expect moving forward with key regulatory changes, enforcement strategies, and trends shaping the future of competition law. These experts will discuss the incoming administration's approach to antitrust and its implications for industries and practitioners. Don't miss this opportunity to gain valuable insights into the present and future of antitrust enforcement!
