

Queer in Practice Q&A

Join OUTLaw for a Q&A session with Ruth Carter (private practice), Judge Thorson (Maricopa County Superior Court), and Judge Jacobs (AZ Court of Appeals). These incredible attorneys are coming to share about their experiences as practicing attorneys who are out and proud of their queer identities and give professional and life advice to lawyers-in-the-making.

There will be free catered lunch for in-person attendees (green salad, chicken shawarma, and mini meatballs).
